Re: Informational Update to NYNEX Telephone Companies'
Plans for Voice Messaging Services (VMS)

Dear Mr. Firestone:

This relates to the NYNEX Telephone Companies' (NTCs') CEI (Comparably Efficient Interconnection) Plan for VMS, which was approved by the Chief, Common Carrier Bureau by Order released January 12, 1989. In our CEI Plan, we indicated that we would notify the Commission of any plans for our VMS offering to utilize basic services and/or network functionalities beyond those set forth in the CEI Plan. We now plan for our VMS to utilize additional network services pursuant to state tariffs already in effect. These network services, with tariff effective dates noted, include:
