FirmRateSM Plus Calling Plan

Verizon long distance... progress has never been easier

Verizon offers a simple, uncomplicated long distance calling plan with one low, flat rate per minute. Now you can have competitive, flat rates, coordinated customer service, a single bill and one point of contact for your business communications needs.

FirmRate Plus Calling Plan 7¢ per minute state-to-state... all day

At Verizon, we know that to move your business ahead you need to work as efficiently and productively as possible. We've made taking the next step forward easier with our simple, no-nonsense FirmRate Calling Plan.

With our FirmRate Calling Plan, you will enjoy:

- A rate of 7¢ per-minute for direct-dialed state-to-state long distance calls
- Competitive per-minute rates for direct-dialed in-state long distance calls (contact your Verizon account representative for all in-state rates)
- No term commitments
- No fee to switch to Verizon long distance service
- One-call customer service

You also get the same low per-minute rate for all your state-to-state inbound toll free calls. And if you're switching from another carrier, you can keep your current toll free number.

Calling card calls carried and billed by Verizon are just 36¢ per minute. The Verizon long distance calling card is available to businesses that choose Verizon for their long distance service.¹

Get one rate... all the time

FirmRate offers you the same low rate for all your state-to-state direct-dialed domestic long distance calls, no matter when or where you call. There are no monthly plan fees, but if your applicable long distance usage in any month is less than \$8.50, your account will be billed a total of \$8.50 for that month.²

Choose Verizon as your contact for local, long distance and other communications services and you can get great savings and convenience for your business:

- A single bill for your local and long distance charges
- A single contact to handle your local and long distance needs and recommend solutions that are right for your business

More long distance savings options

When you sign up for the FirmRate Plus calling plan from Verizon, you'll have options that can add to your savings:

- FirmRate Advantage Discount Package: Sign up for long distance and a Verizon Centrex phone system or high-speed Internet access with Verizon Online and receive a 6.4¢ per-

¹ Verizon Calling Card calls originated in an area where Verizon is not authorized to offer long distance service will be carried and rated by another carrier.

² Only charges imposed by VES contribute to the minimum spending level (MSL), including charges for direct dialed regional and long distance toll calls, operated assisted calls, VES calling card long distance calls and charges under international calling plans and toll free service. Charges imposed by other Verizon affiliates, including your local Verizon telephone company, do not contribute to the MSL. Charges such as taxes, Universal Service Fund (USF) surcharges, presubscribed interexchange carrier charges, payphone charges, early termination charges, non-recurring charges, and calling card usage (carried by a carrier other than VES) also do not contribute to the MSL.
