that Verizon has filed a tariff with an effective date of November 21, 2001 to offer resold DSL over resold voice lines in the areas mentioned above where it offers DSL. The service is known as Verizon DSL Over Resold Lines or Verizon DRL.

Verizon DRL will be provided by Verizon Advanced Data Inc. (VADI) as follows:

- ❖ The resold voice service must already be in place.
- ❖ The CLEC or its ISP must have, or establish, a connection to Verizon's DSL network.
- ❖ The CLEC ordering DRL must be the same entity providing the end-users' voice services.
- ❖ The CLEC is responsible for providing all associated equipment, premise services and support for ISP services to the end-user. This includes but is not limited to – any required splitters, filters, modems, users software, end-users' technical support, etc. The equipment must meet VADI's specifications.
- ❖ The CLEC will receive a separate bill from VADI for the DRL service.
- ❖ Service orders must pass a service qualification process employing VADI business rules (e.g., loop length, class of service, central office availability, etc.).
