Dear Kentucky Access Customer:

Effective August 1, 2002, ALLTEL Communications, Inc. will convert Verizon Kentucky customers to the ALLTEL Communications, Inc. billing and ordering systems. Your new ALLTEL accounts will be established at the Operating Company level rather than at the lata level as billed by Verizon. ALLTEL will render their first bill as follows:

- Special Access on August 5, 2002 for circuit charges dated 8/1/02 – 9/4/02
- Switched Access on September 5, 2002 for usage dated 8/1/02 – 9/5/02
- PICC on August 5, 2002 for the month of August

You will receive a Special Access bill as usual in July from Verizon. In August, Verizon will send a Special Access bill with a credit for any Special Access charges starting from August 1, 2002 to Verizon's bill cutoff date.

Because Switched Access is billed in arrears, you will be receiving a Switched Access bill from Verizon in the month of August. This bill will contain usage for the month of July. For invoices you receive from Verizon, please direct all payments to Verizon. For invoices you receive from ALLTEL Communications, Inc., please direct all payments to the remittance address noted below:
