

# Switch ON.

*Fiber to the Internet*

**Earn \$100 for every  
*Switch ON* sale.**

**Every month, you'll receive  
updated lead lists with qualified  
Inactive Optical Network Terminal  
(iONT) addresses marked.**

**When you sell eligible FTTH service  
to an address marked as iONT  
Qualified, we'll give you a \$100  
credit on your bill. It's that simple.**

## Switch ON - Eligibility

- Address must be labeled as iONT Qualified
- Circuits with 2-year term agreements
- Circuit speeds: 25/25, 50/25, 75/35, 150/65, 300/65, and 500/100
- Circuit must be in service for 90 days
- Program begins March 17, 2015

**Break into new markets and meet your  
business customers' need for reliable  
speed and flawless access to the Internet.**

- FTTH is a 100% fiber connection to the Internet.
- Your choice of contract term (monthly, 2-year).
- Speeds up to 500/100 available.

**TO GET STARTED, CALL YOUR VERIZON PARTNER SOLUTIONS ACCOUNT TEAM. THIS FLYER IS NOT AN OFFER; CONTRACT TERMS APPLY AND GOVERN IN THE EVENT OF ANY CONFLICT WITH THIS HIGH-LEVEL SUMMARY.**

FTTH is available in select areas. Speeds may vary by area. Other charges, taxes, and terms apply. ©2015 Verizon.
